

Lan Kung | UI Artist

EXPERIENCE

Bad Ideas Productions LLC, Remote

Contract 2D and UI Artist, May 2025 - Present

- Designed and rendered asset variations through **detailed concepts and reviews with the client team**
- Coordinated with studio and art director on UI visual style in response to the feedback
- Used **Figma** to organize the flow of the UI layout for menu pages and scene interactions

Blaze VTuber Agency, NYC, NY

Social Media Manager, August 2026 - Present

- Designed, rendered, and animated image content for social media posts through **constant reviews with the client**
- Utilized **social media content matrix** to keep track of consistent posts on X
- Created social media posts to **engage in community**
- Reviewed **analytics on content engagement** and devised strategies to further promote interaction with followers

Frog Mage Udon LLC, Remote

UI Artist, Aug 2024 – Nov 2025

- **Designed the visual direction** for the UI and created all assets in **Photoshop** and **Illustrator**
- **Coordinated with lead engineer** in UI layout, implementation, and functionality
- Formed the team for and produced [Frogmageddon](#), from game jam prototype to a **published release** on Steam
- Created promotional art pieces and supported **marketing outreach** through social media
- Managed team **Google Drive** and **Kanban** board in **Trello** to ensure timely delivery and completion of tasks

Mass Digital Games Institute, Worcester, MA

Technical UI Artist, May 2024 – Aug 2024

- Collaborated in a small, **self-directed** team to **publish** [No Party in Paradise](#) on the **IOS App Store** in a 2 month production schedule
- **Wireframed, illustrated, and implemented UI assets in Unity**
- Anchored UI for aspect ratio consistency across **Android and IOS** mobile aspect ratios
- Organized team's **Miro** board to ensure timely delivery and completion of tasks
- Conducted playtesting to gain information on user experience. Presented the results to the team for further strategic analysis
